Food Allergens

If you have a food allergy please inform the member staff when placing your food order. Communicating your allergen requirements to us will enable us to do our utmost to minimize risks. Allergen advice is available on request and we can provide you with a list of allergens contained in our dishes. We do operate a kitchen that processes allergenic ingredients and cannot guarantee that any product is 100% 'free from' allergens due to unexpected cross contamination. However once we are aware of a food allergy, every care will be taken to avoid cross contamination additionally we do have a separate fryer which is used solely to cook chips. We can also adapt some of our meals to meet gluten free requirements.

Other Information

We cannot guarantee that our fish dishes are entirely free from bones.
